

Organizational Development Certificate Program

Find out what all the buzz is about and join the journey!

Don't miss out on your chance to learn more about Organization Development – Tools and Techniques.

Attend our next OD workshop!!!

“Organization Analysis and Design Workshop”

Learn how to analyze and evaluate organization effectiveness and provide feedback to the C-Level!

You will learn how to select the appropriate assessment tool, develop survey instruments and questions, and how to collect data based on the needs of the organization.

You will learn how to analyze and interpret survey data and debrief the results.
